Importance: High

Hi All,

I looked at this and it's not too bad. The only comment I have is that they should make more of a separation between our project and the CALBAG building demo. Any thoughts from you all before I respond?

Thanks,
Mike

Mike and Cynthia,

I hope all is going well.

Attached to this email is the next edition of the community update. The goal is to issue one quarterly. AGC would like to get this to the printer tomorrow, Friday, February 25. Let me know if you have any questions, etc. Otherwise, I'll presume you are good with it as is.

Much thanks,
Mary
